Greetings all.....

Hope everyone is as excited as I am for show season to begin. Having a year off is more than enough for me! Truck and trailer are ready, now I guess the goal is to get babies and oldies ready to show. So I guess the saying is, "Ready or not, here I come!"

Please keep on the lookout for new members and offer them guidance to get their showing off to a great start. We all have to remember we have all been there, so give them a hand.

Also, keep in mind the new rule changes.

Looking forward to another great EK season, with a great group of friends.

See you all soon!

Sara

Training and Lessons

My name is Amanda Cormack and I am a sophomore at the University of Findlay studying Western Equestrian Studies and Equine Business Management. This year, I have studied under trainers such as Cindy Morehead, Mark Smith, Meri Sheffler, and other well-known horsemen in the industry. Along with being on the IHSA team last year, I'm a part of the University's Stock Horse Team. I've also had the opportunity to work for Judd Paul at the All-American Quarter Horse Congress this past October. I will be available the beginning of May to the middle of August for any horse training or lessons. I would be willing to travel to you for lessons or you can bring your horse to me. If you have any questions, I can be reached on my cell phone at 785-643-4417 or you can email me at cormacka@findlay.edu.
